**COMMENTS ON THE EXAMINER'S
STATEMENT OF REASONS FOR ALLOWANCE**

Sir:

In reply to the Examiner's Statement of Reasons for Allowance, provided with the Notice of Allowance dated October 6, 2006, Applicants submit the following comments.

The Examiner offers reasons why claims 1-34 of the present application are allowable over the prior art of record. Although Applicants agree that the claims are allowable over the prior art taken either singly or in combination, Applicants wish to emphasize that it is the language of each claim, including the interrelationships and interconnections between various

claimed elements which is allowable over the prior art of record, but not the Examiner's paraphrasing of claim features, which are not present in at least some of the allowed claims.

Respectfully submitted,

HARNESS, DICKY, & PIERCE, P.L.C.
